MUSINGS

'Here too, we can ask: How do we keep our faith as a family? Do we keep it for ourselves, in our families, as a personal treasure like a bank account, or are we able to share it by our witness, by our acceptance of others, by our openness? We all know that families, especially young families, are often 'racing' from one place to another, with lots to do. But did you ever think that this 'racing' could also be the race of faith? Christian families are missionary families ... They are missionary in everyday life, in their doing everyday things, as they bring to everything the salt and the leaven of faith! Keeping the faith in families and bringing to everyday things the salt and the leaven of faith.' Pope Francis, homily at Mass in St Peter's Square, Oct '13. **Intercom**
