NET Ministries coming to our Parish!

NET stands for National Evangelisation Teams, and the NET Ministries are young missionaries who share Jesus' gospel message with other young people. Douglas and Rochestown Parish has teamed up with our neighbours in Turner's Cross and the South Parish to host a NET Ministries team to work with young people and youth groups across the south of the city. The six members of our team are aged from 18 to 25 and are from the US, Australia, Brazil and Co. Meath and they will live in a house in the city centre.

Young people are the future of our Faith and what better way to proclaim the Good News of Christ to them than through other young people? The NET Ministries team represents a huge opportunity for evangelisation and a very exciting adventure for our parish community. The team will come to masses soon to tell you of their plans, but meanwhile please keep **John-Luke, Leanne, Niall, Monica, Bruno and Annie** in your prayers and may the Holy Spirit bless their work.
