LENS OF THE GOSPEL

The Most Holy Body and Blood of Christ (Corpus Christi) 19 June 2022

1. Jesus welcomes the crowd, taught them, and cured those in need of healing. Bring to mind the ways in which the story of Jesus and his message have brought you enlightenment, and healing.

2. Today we are invited to walk in the footsteps of Jesus by welcoming people affected by Covid, displaced by war, or struggling to make ends meet. Per haps in the face of these difficulties you feel helpless. So did this disiples and yet Jesus said to them 'You give them something to eat'. They thought what had was insufficient but Jesus used the little they had to feed the crowd. Have you ever found that when you give the little you have to a situation, the results were beyond your expectations.

3.The miracle is symbolic of the abundance of blessings coming to us from God through Jesus. How has your faith in Jesus been a source of nourishment to you? What blessings have you received through your faith? **Intercom**

"Our Lady knows what it means to walk uphill. She knows what it is to be weary of walking and she can take us by the hand amid our difficulties"

Pope Francis
